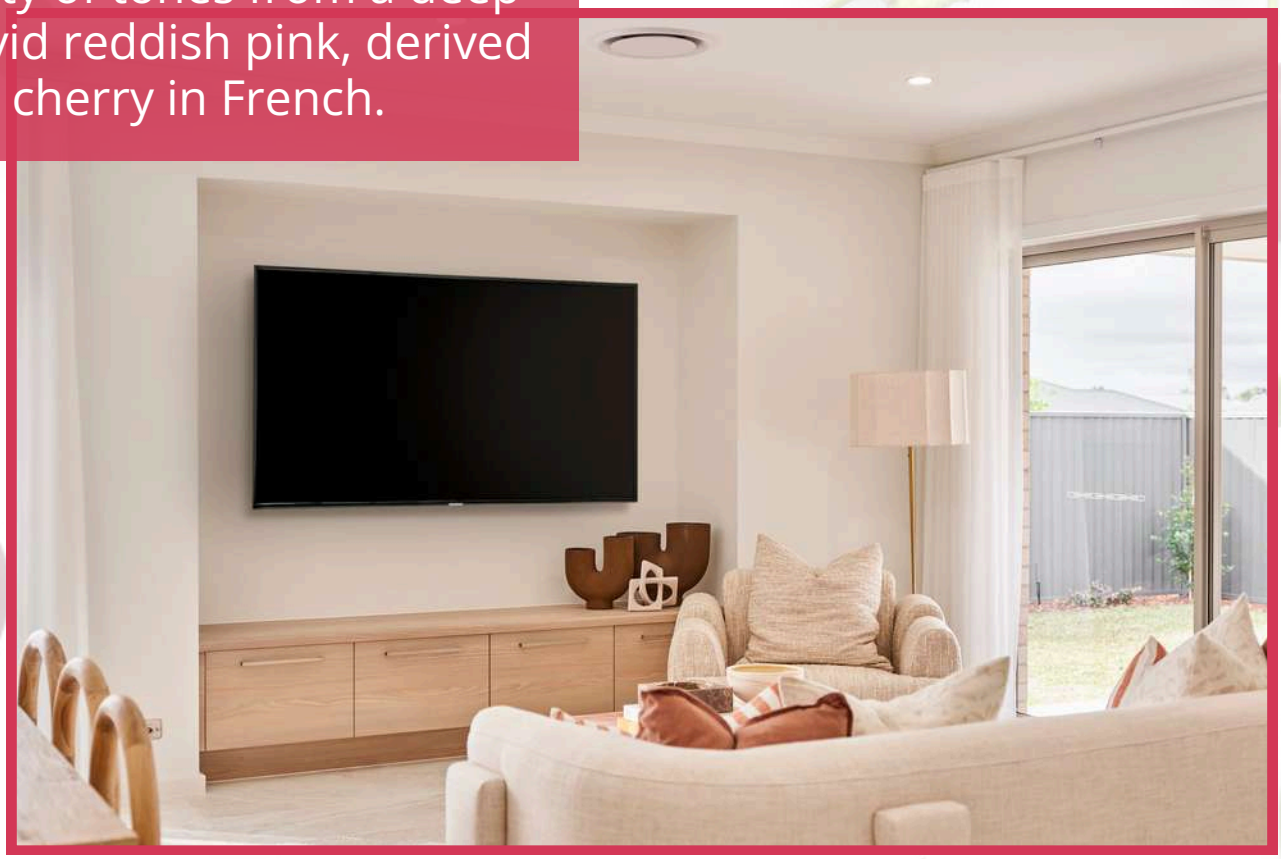
CERISE

DOUBLE STOREY COLLECTION

ce-rise: used to cover a variety of tones from a deep to vivid reddish pink, derived from cherry in French.



A smart profile in efficiency, the Cerise is a masterclass in building on narrow lots. This double-storey design effortlessly caters to growing families, balancing ample bathrooms with private upstairs living areas.

PERFECT FOR

- Narrow Block
- Alfresco
- Additional Storage
- First Home Buyers
- Downsizers
- Growing Families
- Knock-Down, Rebuild

27 Reasons to Build with Us

EXPLORE OUR OTHER 26 REASONS

#1 TRUST

Trust is exactly what you're looking for in a home builder right now and with something as important as building your new home, I believe that TRUST is the number one reason for you to build your new home with us.

When I first started building homes for families, my old-fashioned hands-on approach earned me the respect and trust of my peers. And my continued dedication and commitment to the home building industry later saw me earn CEO Magazine's prestigious Building and Construction Executive of the Year award as well as being named Australian Builder of the Year.

My secret was to only employ and work with the best people I could find, and this philosophy is carried right through the culture at Hudson Homes today.

As CEO of Hudson Homes, I am personally responsible for ensuring that we make the process of building your new home a delightful and rewarding experience. I remain dedicated to developing our people, strengthening our capabilities and building trusting relationships with our customers, our suppliers and our tradespeople in the hope that we exceed your expectations at every step along your home building journey.

Place your trust in me and my team and I'll do everything I can to ensure that building your new home is a delightful and rewarding experience. And, if for any reason, we have let you down anywhere along the way, I invite you to write to me personally at danny@hudsonhomes.com.au or to call me directly on 0411 181 007 and I'll make it right for you.

That is my promise and commitment to you.

Floor plans based on Classic facade and will adjust for alternatives. Items listed are included for a standard, cleared residential block with up to 1m fall across the building platform, M class slab classification and selections from the builder's standard range. Photographs and other images used within marketing material may show fixtures, fittings or finishes which are not supplied by Hudson Homes, or which are only available in some designs or when selected as additional upgrades. Please speak to a Hudson Homes New Home Consultant who is able to provide a building contract that specifically outlines the fixtures, finishes and features that you will receive.
