# 27 Reasons to Build with Us

EXPLORE  
OUR  
OTHER 26  
REASONS

## #1 TRUST

Trust is exactly what you're looking for in a home builder right now and with something as important as building your new home, I believe that TRUST is the number one reason for you to build your new home with us.

When I first started building homes for families, my old-fashioned hands-on approach earned me the respect and trust of my peers. And my continued dedication and commitment to the home building industry later saw me earn CEO Magazine's prestigious Building and Construction Executive of the Year award as well as being named Australian Builder of the Year.

My secret was to only employ and work with the best people I could find, and this philosophy is carried right through the culture at Hudson Homes today.

As CEO of Hudson Homes, I am personally responsible for ensuring that we make the process of building your new home a delightful and rewarding experience. I remain dedicated to developing our people, strengthening our capabilities and building trusting relationships with our customers, our suppliers and our tradespeople in the hope that we exceed your expectations at every step along your home building journey.

Place your trust in me and my team and I'll do everything I can to ensure that building your new home is a delightful and rewarding experience. And, if for any reason, we have let you down anywhere along the way, I invite you to write to me personally at [danny@hudsonhomes.com.au](mailto:danny@hudsonhomes.com.au) or to call me directly on 0411 181 007 and I'll make it right for you.

That is my promise and commitment to you.
